

ARE YOU

STOCKPORT
COLLEGE

COLLEGE READY?

What is Plumbing Level 2?

Plumbing Level 2 is the natural progression from your studies at level 1. You will cover some of the same subjects as level 1 only in far more depth. You will also be introduced to new knowledge and skills which will eventually give you the confidence to install a hot water system and a full bathroom suite.

Research to help you with your course next year

Watch one (or more!) of the documentaries below to give you an insight into some areas of Plumbing installation and design: Available on itv Hub or All 4: On Demand.

College Ready Tasks

TASK 1

Research prices and ranges of plumbing tools. How much will it cost to buy all hand and power tools for a plumber?

TASK 2

Explain why we need water regulations, what do they do?

TASK 3

Find out about the career opportunities available when completing your Level 2 certificate, what plumbing roles will you be able to apply for?

Good luck with your tasks, enjoy your Summer and I look forward to welcoming you to Stockport College in September. Any questions please contact me on michael.delaney@tcg.ac.uk.

Mike Delaney, Plumbing Lecturer & Assessor
