# LIFETIME SKILLS GUARANTEE

Since April 2021, any adult aged 24 and over who wants to achieve their first full level 3 qualification, will be able to enrol on specific fully-funded courses instead of applying for an Advanced Learner Loan. And if you're 19-23, you could get your first Level 3 qualification fully funded.

This means that you could enrol and complete a course without having to pay anything!

There are still funding options available if you're interested in doing a level 3 qualification but do not qualify for the skills guarantee offer, so there's no need to let finances get in the way of your career!
